TECHNOLOGY

Technology, laptops and computer networks enrich our students' learning experience.

Priorities this year include:

- New student laptop cart for classroom use
- Network capacity expansion & file server upgrades
- Security upgrades

MUSIC & FINE ARTS

Our arts programs support the development of the whole student, fostering engagement with creative outlets such as music, drama, media and visual art.

Priorities this year include:

- Theatre risers
- Marimba and orchestral chimes
- New equipment for the film studies program
- New stools and storage for the art room

TEACHING EXCELLENCE

Professional development for our teachers encourages innovation in the classroom.

Priorities this year include:

- Training in International Baccalaureate (IB) approaches to teaching and learning
- Attendance at subject-specific conferences
- Leadership training for our faculty

FUNDRAISING PRIORITIES 2018-19

LUTHER COLLEGE HIGH SCHOOL

Quality education in a Christian context

Luther College relies on the generous support of our alumni, family and friends.

Luther College relies on donations to enable our students and faculty to meet their full potential.

Donations are critical to the program enhancements that make Luther exceptional.

Your support this year has an immediate impact on our students' learning and helps shape the future of Luther College.

ATHLETICS & WELLNESS

Our athletic program and wellness initiatives promote healthy minds and bodies among our students.

Priorities this year include:

- New jerseys and team travels to tournaments
- New fitness equipment & sound system in the weight room
- Royal Street athletic field repairs and upgrades

CAMPUS FACILITIES

Enhanced classrooms and upgraded campus facilities offer more flexible learning environments for our students.

Priorities this year include:

- New classroom desks, chairs and whiteboards
- Repairs to masonry, wall tiles and terrazzo stairs in original wing of building
- Exterior brick repointing

FINANCIAL AID & STUDENT SUPPORT

Bursaries help maintain our school's diversity and make a Luther education accessible for students who could not otherwise afford to attend. Tutoring and counselling services provide students with the supports that help them thrive.

Priorities this year include:

- Over $800,000 will be given out in bursaries and financial assistance to students with demonstrated financial need
- Hiring of a new full-time tutor to help students
- Hiring of a new "Coordinator of Student Success" to support and mentor students at-risk and provide personal and emotional support
