

Candidate Consent & Declaration of Authenticity

I understand and consent to 1) the programme coordinator or another authorized school staff member uploading my work to the IB's eCoursework system and 2) the IB's processing, use, disclosure, and transfer of my personal data, including without limitation any sensitive personal data and/or education records, as described in the IB's privacy policy and the Privacy Supplement, including worldwide cross-border transfers (including storage and access of such data outside Canada).

I confirm that I am over 15 years old, and that the version of any work submitted to my programme coordinator or other school staff member is the correct and final version, and represents my own original work in its entirety. No element of this work has been previously submitted for assessment in this or any other course. I have acknowledged each use of the words or ideas of another person, whether written, oral or visual.
