

LCHS Strategic Directions as approved at June 24, 2019 Board of Regents meeting

#1. Academics

"LCHS offers enriched curriculum delivered through a student-oriented pedagogy which is both well-established and innovative, and supported by IB approaches to teaching and learning."

#2. Students

LCHS provides an environment in which students can become engaged global citizens through psychological wellness, physical health, intellectual curiosity, and spiritual exploration.

#3. People Focused

LCHS provides a healthy, respectful and diverse work environment in which human potentials can develop.

#4. Financial Viability & Risk Management

LCHS is committed to fiscal responsibility through strong enrolment, accountability, and stewardship of its financial and physical resources.

#5. Community Building

LCHS is committed to building an engaged and connected community that includes our alumni, students, families, partners and donors.
