

A Message from His Honour The Lieutenant Governor of Saskatchewan

It is my great pleasure to extend greetings on behalf of Her Majesty Queen Elizabeth II, Queen of Canada, to everyone gathered to celebrate the 50th Anniversary of Luther College at the University of Regina. In the spirit of Reconciliation, I would also like to share these greetings in my first language, which is Woodland Cree. Nimithwethetin kita petamatakawaw atamiskatowin kihci-okimaskwew ohci, Elizabeth niso. Kikihci-okimaskwenow ota kitaskiynaw Canada.

Congratulations to Luther College for reaching this milestone. Welcome back alumni, faculty, staff, board members and family members. It is an extra special year to celebrate your golden anniversary as Her Majesty celebrates her Platinum Jubilee as the Sovereign of Canada in 2022.

I wish to express my gratitude to Luther College for providing high quality teaching and advancing outstanding research for fifty years. Thank you to the Luther College administrators as well for maintaining the individual attention and sense of community that only a smaller university can offer. Luther College has enhanced the lives of thousands of students in our province over half a century.

I also want to thank the many volunteers who have helped to plan this special weekend of fun and friendship. As you commemorate five decades of education, please accept my best wishes for an enjoyable and memorable celebration. I hope your three days of festivities offer opportunities for reacquainting with old friends, renewed fellowship and strengthened bonds with your alma mater. Happy 50th Anniversary!
