

Building Sustainable Lifestyles and Livelihoods: The Student Experience

Neil Middlemiss • URSU Operations Manager

The Central Questions (for URSU)

Is a student lifestyle a sustainable lifestyle? (No)

Do students care about sustainability? (Yes)

What can we do to bridge that gap?

URSU Threads

- Business attire donated primarily by Moore's
- Supplemented by community donations
- Secondary market for clothing
- Lesson: make room for organic changes to your program

The Great URSU Garage Sale

- Sign-up for a table
- Sell your items at your prices, you keep all the proceeds
- Secondary market for anything
- Lesson: start at the source

The Owl (Pub and Restaurant)

- More compostable disposables
- More locally-sourced ingredients
- Improved waste handling
- Lesson: set the example

Thank you!
