

Dear Parents:

If there are delays or cancellations with your child’s school, there are a couple of options available to you to find out information quickly.

- Call **306-721-4499** our information hotline
- We also have a website that you can access that will give the updated details of any cancellations or delays. This website gives you the option to subscribe to emails that will alert you to your specific school. <https://regina.firststudentinc.com>

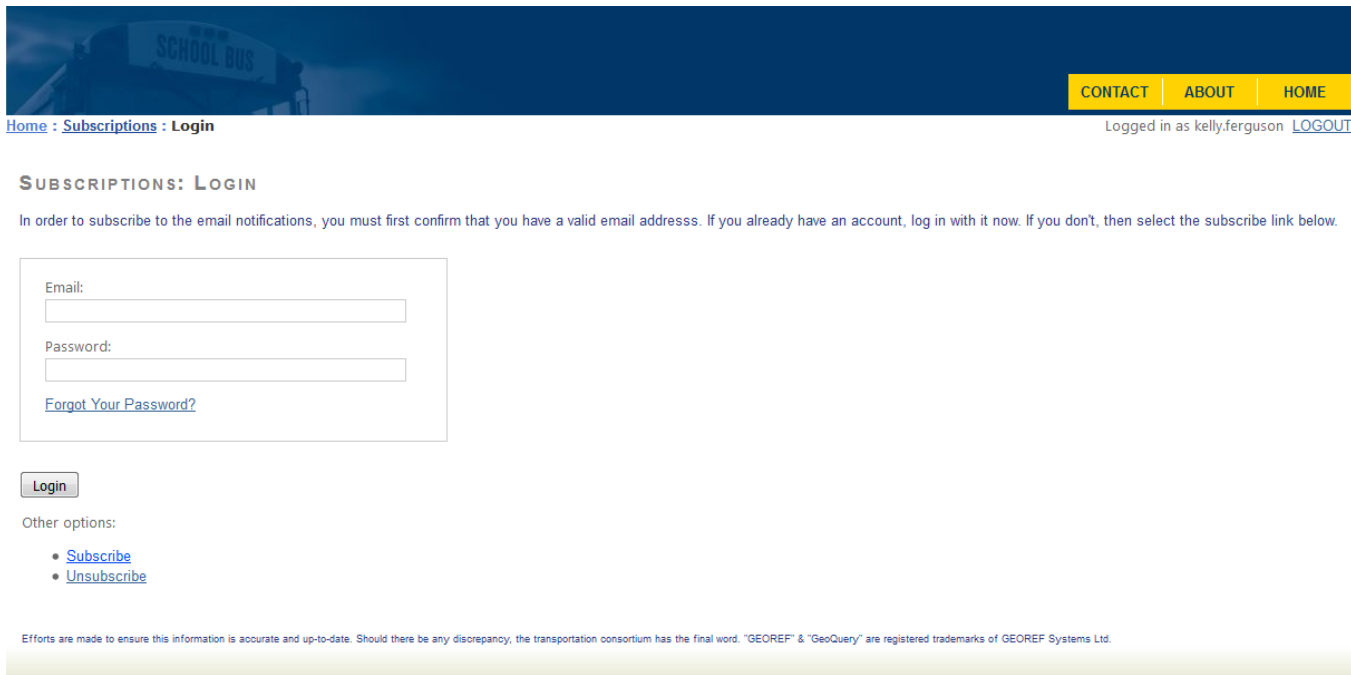

This is the home page. In the top right hand corner, there is the link “Delays & Cancellations” Click on that link.

The page above will show all the buses that are running late or are cancelled.

If you wish, you can also subscribe to email notifications for your child's bus. On this page, top right hand corner is an icon for subscriptions, click on it. The page below will pop up. Click on Subscribe, it will then ask for your email address, once that is accepted, it will send you an email for confirmation. Once you confirm your email and set a password you will choose the school and/or route that you would like to be notified about. Once that is set, the program will automatically send you notifications if your school bus is delayed or cancelled. Your password will be emailed to you so that you can log on at any time.
