For Release 10:00 a.m., February 10, 2025

The Luther College Board of Regents has selected the College's next President. **Dr. Tom Phenix** will be appointed the new President of Luther College beginning July 1, 2025. He is currently the Dean of Campion College and a Psychology professor.

"Dr. Phenix's extensive background in academia and administration will serve Luther College well," says Board Chair Andrea Wagner. "Over the last five years, he has been a leader in a faith-based, liberal arts and science, federated College, allowing for deep insight into the challenges and opportunities inherent in an educational institution like Luther College. Dr. Phenix has expertise in all aspects of this role and shares our commitment to academic excellence and building a community of compassionate, creative, critical thinkers."

Dr. Phenix holds a Ph.D from the University of Saskatchewan, as well as a Master of Arts in Psychology, and a Bachelor of Arts (Honours) from the University of Regina. He has served in various academic roles at Campion since 2004, including as Department Head of Psychology, and Religious Studies, and as Assistant Dean.

A Presidential Search Committee comprised of faculty, staff, Board members and other stakeholders made the recommendation to the Board after a nation-wide search. The Board thanks the Search Committee for their time and commitment to this important work.

The Board also wishes to thank Interim President Dr. Murray Knuttila for his recent and continuing service leading the College while the search for a President was underway.

Congratulations to Dr. Phenix on this appointment. We look forward to his leadership as he assumes the Presidency in July 2025.
